

Company Law Objective Questions

R S N Pillai

Card & James' Business Law for Business, Accounting, & Finance Students Lee Roach,2012-04-19 With faultless accuracy, this text is the most detailed and analytical account of law for those new to the subject. It provides commanding analysis of the English legal system, contract law, the law of torts, company law, and employment law, as well as covering relevant aspects of the law of agency and environmental law. Online chapters provide further discussion relating to the economic torts, corporate governance, the sale of goods, consumer credit, and the law relating to unfair and illegal commercial practices. All of this is discussed using relevant examples from the business environment, and the key legal cases to help develop a greater understanding of the interconnections between the law and corporate setting. The new learning features have been incorporated throughout, making this difficult subject more accessible. Key case, examples, and discussion boxes demonstrate the application of law and highlight core principles, while self-test questions allow students to assess their progress. Online Resource Centre The accompanying Online Resource Centre provides a wealth of resources for students to further develop their understanding and test their knowledge, including additional practice questions with answers, a flashcard glossary of key legal terms and updates to the law via Twitter. This new edition also includes a testbank of MCQs for lecturer use.

Comparative Company Law Mathias Siems,David Cabrelli,2018-09-20 As attention moves rapidly towards comparative approaches, the research and teaching of company law has somehow lagged behind. The overall purpose of this book is therefore to fill a gap in the literature by identifying whether conceptual differences between countries exist. Rather than concentrate on whether the institutional structure of the corporation varies across jurisdictions, the objective of this book will be pursued by focusing on specific cases and how different countries might treat each of these cases. The book also has a public policy dimension, because the existence or absence of differences may lead to the question of whether formal harmonisation of company law is necessary. The book covers 12 legal systems from different legal traditions and from different parts of the world (though with a special emphasis on European countries). In alphabetical order, those countries

are: Finland, France, Germany, Italy, Japan, Latvia, the Netherlands, Poland, South Africa, Spain, the UK, and the US. All of these jurisdictions are subjected to scrutiny by deploying a comparative case-based study. On the basis of these case solutions, various conclusions are reached, some of which challenge established orthodoxies in the field of comparative company law.

Objective Questions In Busines S.S. Kaptan,2003

Concentrate Questions and Answers Company Law Imogen Moore,2018-07-26 The Concentrate Q&As are a result of a collaboration involving hundreds of law students and lecturers from universities across the UK. The series offers you better support and a greater chance to succeed on your law course than any of the competitors. 'A sure-fire way to get a 1st class result' (Naomi M, Coventry University) 'My grades have dramatically improved since I started using the OUP Q&A guides' (Glen Sylvester, Bournemouth University) 'These first class answers will transform you into a first class student' (Ali Mohamed, University of Hertfordshire) 'I can't think of better revision support for my study' (Quynh Anh Thi Le, University of Warwick) 'I would strongly recommend Q&A guides. They have vastly improved my structuring of exam answers and helped me identify key components of a high quality answer' (Hayden Roach, Bournemouth University) '100% would recommend. Makes you feel like you will pass with flying colours' (Elysia Marie Vaughan, University of Hertfordshire) 'My fellow students rave about this book.' (Octavia Knapper, Lancaster University) 'The best Q&A books that I've read; the content is exceptional' (Wendy Chinenye Akaiigwe, London Metropolitan University) 'I would not hesitate to recommend this book to a friend' (Blessing Denhere, Coventry University)

Business Law I Essentials MIRANDE. DE ASSIS VALBRUNE (RENEE. CARDELL, SUZANNE.),Renee de Assis,Suzanne Cardell,2019-09-27 A less-expensive grayscale paperback version is available. Search for ISBN 9781680923018. Business Law I Essentials is a brief introductory textbook designed to meet the scope and sequence requirements of courses on Business Law or the Legal Environment of Business. The concepts are presented in a streamlined manner, and cover the key concepts necessary to establish a strong foundation in the subject. The textbook follows a traditional approach to the study of business law. Each chapter contains learning objectives, explanatory narrative and concepts, references for further reading, and end-of-chapter questions. Business Law I Essentials may need to be supplemented with additional content, cases, or related materials, and is offered as a foundational resource that focuses on the baseline concepts, issues, and approaches.

Company Law and Practice Nolakha Ratan, The book is the outcome of the authors' long experience of teaching business law and company law to students pursuing undergraduate and postgraduate courses at the University of Delhi. This, in fact, has made it possible for them to write on law without the use of legal jargon; thus ensuring that even the most complicated provisions of various legislations are explained in an easily comprehensible manner.This new edition of the book has been thoroughly updated and revised in accordance with the Companies Act, 2013. The amendments introduced by the Insolvency

and Bankruptcy Code, 2016, through its Eleventh Schedule to the Companies Act, 2013 have also been duly incorporated.

Legal Aspects of Business (Mercantile Law Industrial and Company Laws) R S N Pillai, 2011 This book is an attempt to provide a means of systematic study in a simple way. The aim of the book is to present the subject matter in the most concise, to the point, lucid and illustrative manner. We are confident that the book will be an invaluable asset to the students of Mercantile Laws. A large number of examples and leading cases have been given with a view to helping students to understand the subject-matter clearly.
